

I have Combined Vision & Hearing Loss

I am using this card to communicate.

Here are some of the best ways to communicate with me:

Interpreter Large Print
Text

Large Print
Writing

Assistive
Listening Device

For effective communication, I may need:

- An Arizona licensed interpreter for close vision and/or tactile
- A communication access realtime translation (CART) for captioning conversations
- To make a phone call: a videophone, internet services, a computer, a captioned phone or a cell phone for texting.

SYMPTOMS?

Fever

Cough

Shortness
of breath

WHICH COUNTRY?

RECENT TRAVEL?

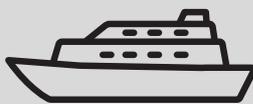

Bus

Airplane

Train

Cruise ship

WAS NEAR SOMEONE WITH COVID-19?

HOW MANY DAYS SICK?

Arizona Commission
for the deaf and the hard of hearing
